

PHILIPPINES: Supported Children Excel

PHILIPPINES—Children in the care of **Good Shepherd's Fold** and the ministry staff are grateful to Intercede's supporters for their prayers and assistance.

"Thank you so much for the love, concern, financial support and prayers for our ministry," writes Rev. Roberto Tabuena, GSF's Officer in Charge. "We are happy to give you the update of the children we are now serving. At present, we have 97 children under our care. For centre-based children [who live at the orphanage] we have 25, for community-based children we have 72. Thirty-eight of these children excel in their academic performance both in elementary and high school. Eleven children graduated from the elementary department and eight from the high school this school year 2008-2009.

"Again, thank you and may God bless and keep you in His loving arms."

Children in the care of Good Shepherd's Fold who received school supplies during the June 8 opening of classes.

Persecuted: not Abandoned

International Day of Prayer for the Persecuted Church

Christians around the world are being persecuted for their faith. The International Day of Prayer (IDOP) helps us focus on our suffering brothers and sisters. Whether it is for Christians in prison, a communist interrogation cell, or those facing the destruction of their homes, we invite you to pray.

We invite you to hear the real stories
Be changed
Be moved
Let the persecuted know they are
Not Abandoned

Nov 8th 2009
