

MISSION STATEMENT

To establish, encourage and strengthen an indigenous, New Testament witness for our Lord Jesus Christ among all nations, by providing material and spiritual aid to Christians who are impoverished, few or persecuted; and to encourage Christian witness and ministry to the international community in Canada.

Our Standards

Intercede International partners with ministries that hold to the fundamental doctrines of historic evangelical Christianity. Our accounts are audited by a Canadian Chartered Accountant and Intercede is governed by a Canadian Board of Directors. Intercede is a Certified Member of the Canadian Council of Christian Charities (CCCC) and adheres to the Members' code maintaining high standards of ethical integrity and financial accountability. Our Statement of Faith and Annual Report are available on request.

How We Work

Operating in Canada since 1953, Intercede International is an evangelical mission board that provides headquarters services, programs and ministry in cooperation with indigenous evangelistic mission boards based in countries of poverty and persecution. We locate, evaluate and partner with indigenous ministries that agree to carry out our ministry programs, and recommend these for prayer and financial support to individuals and churches in Canada. Contributions are collected and support is sent on behalf of our programs being carried out by each indigenous ministry. For closed lands where missions are not yet established, Intercede International encourages the discipling and equipping of future leaders from among overseas students, foreign visitors, refugees and immigrants in our midst.

How You Can Help

PRAY and SERVE

By praying according to knowledge provided by Intercede publications, you are serving and interceding - "Standing in the Gap" for the Lord's people in many nations. This service is so amazing that its impact will not be fully revealed till the day that His children are united with Him in glory forever.

ADOPT AN INDIGENOUS MISSION BOARD

Churches Discover New Missions Strategies. Churches can adopt one or several native mission boards and any of the many evangelical programs they carry out. They can also support evangelistic outreaches that target unreached people groups in a given country. As a relationship with Intercede develops, visiting the mission field overseas through our MISSION ACTION TEAMS program is an option. Contact us and request our strategic DISCOVER program for Canadian churches.

SPONSOR AN INDIGENOUS MISSIONARY, A BIBLE COLLEGE STUDENT OR A NEEDY CHILD

National Missionaries can be co-sponsored by individuals or by churches on average for as little as \$50 to \$150 monthly. Sponsors may receive the name and photo of the missionary they support, and information about the indigenous ministry with which they serve as well as annual updates. Hundreds of needy and orphaned children are being cared for by indigenous missions. Those who sponsor a child for \$30 a month will receive a photo and information on the child and annual updates on the child's progress. Intercede works with many indigenous Bible Colleges and Training Centres. Although photos and personal information are not available, because of the often changing situations, an endowment or gift will help such students achieve their dreams of serving the Lord in their nations.

OVERSEAS MATERIAL AID CONTAINERS

The Overseas Material Aid program (OMA) sends shipments of needed goods and equipment to ministries in other countries. Contact us for details.

Giving for the future...with benefits for the here and now

Senior Christians today are discovering that planned giving Gift Annuities and other charitable trust agreements placed with Intercede International offer an excellent way to provide for their personal needs as well as help God's work. In many cases some or all of the income received would be tax free. When he or she goes home to glory, the remaining principal would then be used for missionary work. Call or write to Intercede International today and learn how both you and the Lord's work can benefit from a planned giving arrangement.
