

# HELP HIDDEN MISSIONARIES

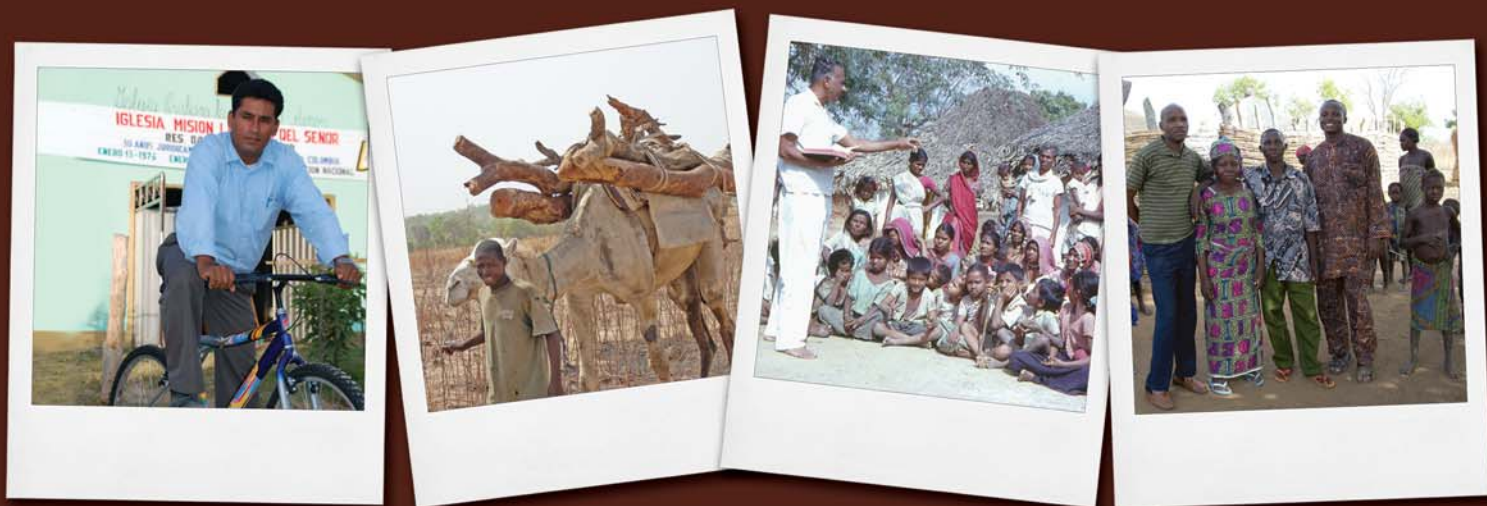

# REACH HIDDEN PEOPLES

There are thousands of “hidden” missionaries, hidden to us but not from God, indigenous to their own nations, who are on the field right now, planting churches in areas where there were none before. God has called them to be pioneer missionaries, to take the gospel to “hidden peoples”—people groups that have never yet had a clear witness of our Lord. Hundreds more have completed Bible school and are ready to go to the mission field. But right now they are working long hours

to support their families. They need the support and prayers that you can provide to send them to the mission field. For \$50 to \$100 or more per month, you can support an indigenous missionary and help him or her to reach the unreached with the gospel. You will receive a photo of your indigenous Missionary, a quarterly field report from the Mission he or she works with and an Annual Report from the Missionary so you can pray and intercede for them.
